### Happiest Girl in Lincoln

"I am only too glad to testify to the good qualities of Chamberlain's Tablets," writes Miss Nora G. Hagerty, of Lincoln, Neb. "I had been ailing for some time with chronic constipation, stomach trouble and a terrible misery after eating, when I was taken sick with abscess of the bowels. We had some of the best doctors in Lincoln in attendance, and they all said I would have to be operated on right away. I had heard of Chamberlain's Tablets, and we got a bottle of them. I began to take them and in three days I was able to be up and got better right along. I am the proudest girl in Lincoln to find such a good medicine as these tablets are. I can hardly believe myself that I am strong and healthy now. They saved me from a serious surgical operation."

### Gave Him A New Stomach

"There are thousands of sufferers from stomach and liver troubles whom I wish I could meet and tell what Chamberlain's Stomach and Liver Tablets would do for them," writes H. M. Young, editor of the Sun, Lake View, Ohio. "One bottle of the tablets would end the trouble for most of them. I suffered intensely after eating and never felt well, and no treatment or medicine I tried ever seemed to do me any good until reading an advertisement for Chamberlain's Tablets in my own paper. I tried a bottle. The first few doses gave me surprising relief, and the second bottle seemed to give me a new stomach and perfect good health. I didn't think anything would give me such a complete cure. They are wonderful."

Since that time he has paid \$3.64 in taxes which, with original purchase price and fees necessary, makes a total of \$17.10 with interest due him.

### TAIL END

**OF STORM ENDS LONG DROUGHT FOR TIME BEING—COMES AS A SWEET RELIEF.**

Only the tail end of a storm struck Mt. Vernon Tuesday, according to William G. Scribner, who states that the largest part went to the north.

However, the rain came as a blessed relief and people seemed to revel in being out-doors, in face of rather a steady downpour in the earlier hours of the morning.

It has been two weeks and one day since Mt. Vernon has had any rain and then there was only enough of sky-water to lay the dust. The last real downpour was on a Sunday five weeks ago, when a real storm struck the city, lasting for over an hour and carrying with it a high gale.

**Just the Thing for Diarrhoea**

"About two years ago I had a severe attack of diarrhoea which lasted over a week," writes W. C. Jones, Buford, N. D. "I became so weak that I could not stand upright. A druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. The first dose relieved me and within two days I was as well as ever." Many druggists recommend this remedy because they know that it is reliable. Obtainable everywhere.

### FLIES CAUSE RUNAWAY; DRIVER UNCONSCIOUS

**Remains in Land of Dreams for Several Hours—Has Fractured Jaw**

Annoyed by flies, the team of horses belonging to J. C. Merriott, who lives east of Morgan Center, ran away Monday noon while hitched to a farm wagon.

Mr. Merriott was driving the horses at the time the runaway occurred and was doing some hauling on his farm. When the horses started he was thrown from the wagon and dragged several yards before the team managed to break away from him.

Mr. Merriott was picked up in an unconscious condition and a physician from this city was called.

Examination showed that the unfortunate man had received a broken lower jaw, a long gash in his scalp and numerous minor cuts and bruises. It was several hours before he regained consciousness. Tuesday morning he was reported to be resting easily.
